

# Imray Correction Notice

ICC52-3

31 October 2024

## Chart C52 WGS 84

Edition 2023

Versions available:

New Edition (corrected to August 2023)

Update (corrected to February 2024)

### NOTES

Below is a complete list of corrections issued since the 2023 edition of this chart was published.

Each correction is issued with an ILNW reference number and year.

Corrections are listed chronologically in ascending order.

For Update versions of this chart, please check the bottom left corner of the chart to determine the last applied correction.

Any further corrections will be applicable from that point onwards.
